Beautiful front gardens of Highams Park

This photograph is of 25 Handsworth Avenue and is a riot of colour.

Send in a photograph of your favourite local front garden. It could be anything from an unusual plant or feature, to a window box. It can be your own garden, or one of your neighbours. Please tell your neighbour that they have been nominated and I am sure they will appreciate the praise.

Entries will be displayed on Highams Park Day on 12.7.14 and all entries will receive a certificate. To view the entries log onto www.highamparkforum.co.uk for a weekly update.

**Come along on Sunday 7th September, when
there will be a walk viewing the beautiful
gardens of Highams Park.**

Meeting at Highams Park Station at 11a.m.
